About the Conference

Composite and All Ceramic Restorations: The Gap Narrows

Synopsis: Learn in detail what techniques and skills are necessary to create ideal composites that are seamless, have polychromicity, non-sensitive, and the appropriate luster and polish. Further explore preparation design for all-ceramic restorations, color selection and cementation techniques.

Learning Objectives:

- Learn the four parameters necessary for composite artistry
- Understand the importance and principle of adhesive dentistry for everyday esthetic dentistry - no prep to minimal pre-design will be covered in detail.
- Finishing and polishing of composite and porcelain: simply stated there should be very little difference in the outcome!

AGD Points Value:

Conference Pricing: Dentists: \$995 + tx / Auxiliaries: \$295 + tx

(AGD approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement)

Dr. Brian LeSage

Dr. Brian P. LeSage is the founder and director of the University of California, Los Angeles (UCLA) Aesthetic Continuum Levels II. This course teaches practicing dentists the art and science of cosmetic dentistry. He is also the director of the Beverly Hills Institute of Dental Esthetics that offers small study clubs and mentoring. Dr. LeSage has actively integrated academic pursuits with a private practice, first in Washington D.C and for the last 25 years in Beverly Hills, California. His private practice emphasizes aesthetic and reconstructive dentistry.

Dr. LeSage is one of 345 accredited cosmetic dentists in the American Academy of Cosmetic Dentistry (AACD) and in 2009 he was awarded the Excellence in Cosmetic Dental Education Award by the academy. In 2002, he was awarded the status Fellow in the AACD and served as the Fellowship Chair for the academy for over ten years. He was previously appointed (1995) as a consultant and examiner for the AACD accreditation process. Also in 2009, he was inducted as a member of the American Academy of Esthetic Dentistry (AAED) and was awarded fellowship status with the AAED in 2014.

Dr. LeSage graduated magna cum laude from the University of Maryland in 1983 with the Omicron Kappa Upsilon Honor Dental Society award.

About the Celebrity EDGE

The Celebrity EDGE is the first of four brand new Edge-class ships with which Celebrity aims to "leave the future behind!" The entire concept of a cruise ship has been redesigned (by design stars Nate Berkus and Kelly Hoppen among others) with cabins and balcony spaces that transform from outside to inside and with new experiences like Eden, meant to awaken all of our senses! Among the most notable features is the Magic Carpet Deck, that can move up and down the side of the ship with its function changing depending on its location whether used for tendering or al fresco dining and more! The outdoor spaces have also been re-imagined with a new Resort Deck and Rooftop Garden where by day, guests can enjoy a variety of activities while the space doubles as an outdoor movie and dining area at night. Specialty dining areas include the Rooftop Garden Grill and Luminae at The Retreat. MindWare's guests will be the first to know as new details become available, so book now and enjoy life on EDGE!
