## About the Tour

Straddling East and West, the jewels of Eastern Europe, Prague, Vienna and Budapest are at the very heart of the former Austro-Hungarian Empire. Join MindWare Seminars as we explore these cultural capitals of music and art that epitomize Old World elegance.

Begin by exploring the imperial Buda side of Budapest with visits to Gellért Hill, Fishermen's Bastion terrace and the 14th-century Matthias Church. A tour of Jewish heritage sites will include visits to the Dohány Synagogue, Jewish Museum and Raoul Wallenberg Memorial Park. The Pest side is where the city gets its café culture reputation while also boasting unique architectural gems like the opulent 1884 State Opera House. The visit will include a tour of City Park and Heroes' Square, St. Stephen Basilica and the Houses of Parliament.

Next it is on to Vienna, former capital of the Habsburg Empire – and one of Europe's grandest cities. Take a walk along the Ringstrasse, Prater and the Hundertwasser Belvedere. Take a tour of the two imperial palaces, the Schönbrunn and the Hofburg - the summer and winter residences respectively of the former royal families. Today, the 1,441-room Schönbrunn Palace remains one of the most important monuments in the country while the Hofburg palace, in addition to serving as the official presidential residence, houses the National Library, the treasury, several museums, the Spanish Riding School and much more!

Finally, it is on to Prague, the capital of the Czech Republic and the historical capital of Bohemia. Start in the Old Town with its unique Astronomical Clock on the main square, the Art Nouveau Municipal House concert hall and its Gothic Altneuschul - dating from 1270. Then it is on to the Hradcany Castle district to visit the 1,000-year-old complex of palaces, courtyards and gardens including the magnificent Cathedral of St. Vitus which houses the Bohemian crown jewels and is today also home to the office of the President. Then, enjoy a more in depth visit to Josefov, the ancient Jewish Quarter of Prague believed to have been settled as early as the 10<sup>th</sup> century.

Sprinkled throughout the tour will be special evening performances and entertainment including river cruises, classical music and much more!
