About the Conference

Building Your Practice with Implants: Enhancing Diagnosis, Placement, Cementation and Marketing

Synopsis: This course will engage the practitioner in the many aspects of building an implant practice. Discover the numerous methods of increasing implant treatment in your office. Esthetic restorative materials and techniques will be presented and cases will be discussed from diagnosis to cementation techniques. Marketing methods will also be discussed to further grow your implant practice.

Learning Objectives:

- Treatment planning, impression techniques and cementation
- Techniques from placement to restoring implants
- Understanding the synergy of CAD/CAM and implants
- How and when to use surgical guides
- Using different implant crown materials

Dr. Sam Halabo

Dr. Sam Halabo is an accomplished national and international speaker, author and product evaluator and runs a state-of-the-art private practice in San Diego CA. He is also an adjunct faculty member at the University of California at San Diego and an editor for Inside Dentistry Magazine.

He is a member of the San Diego County Dental Society, California Dental Association, the American Dental Association, the Academy of General Dentistry, the Academy of Laser Dentistry and the American Academy of Cosmetic Dentistry. He has also been involved in product evaluations for the Catapult Group and in clinical research for many years. He previously served as the director of dental care at the UCSD homeless clinic in Pacific Beach, CA.

He is a graduate of Boston University's Goldman School of Graduate Dentistry and he completed a General Practice Residency at the Loma Linda Veterans Hospital.

About the Oceania Riviera

Oceania Riviera represents all that luxury cruise ships have to offer and was purposefully built to personify the Oceania Cruises experience. The ship will engage the discerning guests who enjoy refined cuisine, extraordinary tours and well appointed rooms. Design highlights include the Lalique Grand Staircase and premium finishes. The Bon Appetit Culinary Center is the only hands-on cooking school at sea while the Artist's Loft features artists-in-residence to teach fine arts. Oceania leverages its partnerships with name brands like Jaques Pepin and Wine Spectator to ensure foodies are right at home - specialty restaurants include the Asian-influenced Red Ginger and the French venue, Jacques. For those seeking the ultimate relaxation, the Canyon Ranch Spa offers a full range of treatments, while those who wish, can simply lounge by the pool or hot tubs. Social animals are invited to visit the Horizons Bar located at the top of the ship surrounded in floor-to-ceiling windows for great views.
