About the Conference

Get More, Keep More and Do More for Your Patients

Synopsis: The course will consider the best methods for increasing the attraction of patients to your practice, increasing services to them while they are on site, and how to retain more of them as patients long term.

Learning Objectives:

- Increased clarity on the criteria for offering various treatment options
- Determining which clinical skills are most important for your practice
- Increasing patient base maintenance and stop the leakage
- Improving communication skills in order to increase uptake of more ideal treatment options
- The importance of conducting oral cancer screenings to the dental patients
- Leveraging your strengths to benefit your practice

Dr. Phillip Palmer

Dr. Phillip Palmer is the founder and Chairman of Prime Practice, the leading dental practice management company in Australia and New Zealand, helping dentists manage and grow their businesses at every stage of their career. He is also a director of Practice Sale Search, Australia's largest dental practice brokerage firm. Prior to working on the business side, Dr. Palmer ran a successful dental practice in Sydney for 34 years. These two parts of his career have given him a deep understanding of the different management, financial and professional issues facing dentists and he is thus regarded as Australasia's leading expert on the business of dentistry.

Dr. Palmer has spoken at the conferences of the Australian Dental Association and New Zealand Dental Association as well as the Greater New York Dental Conference. He is regularly invited to speak at other meetings in Australia, New Zealand and Singapore. He is often sought out on issues regarding dental practice and regularly writes on dental issues.

Dr. Palmer graduated from Sydney University as a dentist in 1970.

About the Celebrity Infinity

The Millennium Class Celebrity Infinity underwent a grand renovation in October 2015 adding new features, additional staterooms and a brand new Rooftop Terrace for a chic new way to experience the great outdoors, with creative cocktails and movies alfresco. Despite the changes, much of what made Infinity unique has been retained including the whimsical art, the use of natural woods and lots of glass giving the ship a light and airy feel. Among the upgrades are many of the Solstice-class eating venues including Qsine, Blu and Bistro on 5. Order a specialty martini at the new Martini Bar complete with shaved-ice-topped bar and juggling bartenders or a glass of wine at Cellar Masters or enjoy gelato any time of the day! While at sea, enjoy the thalassotherapy pool in the stunning Solarium or book an appointment for the Canyon Ranch spa and salon services.
